FEEDBACK

HAJIS 2024

We are truly glad we chose Tour Arabia to guide us through the most important journey of our lives. The experience was a mix of physical, emotional, and logistical challenges. However, the Tour Arabia team made our journey truly comfortable. I met with minor accident in Muzdalifa and I found every member of the team was incredibly supportive and caring. What stood out the most was the spiritual component of the Hajj School, which gave us highly valuable insights into the entire Hajj process. I highly recommend Tour Arabia to anyone seeking a comfortable and spiritually enlightening Hajj experience.

Hajj is a journey of thousands of miles. More importantly, it is a journey of our heart towards our Creator - a pilgrimage that transforms the soul. Our journey was organised by Tour Arabia, who made their best effort to ease all the trials and tests involved in this sacred pilgrimage, turning it into a lifelong memory. Tour Arabia served as a trusted companion throughout our holy journey, helping us refresh and elevate our spirits through their magnificent 'Hajj School'.

Performance of Hajj is no doubt, once-in-a-lifetime experience. Obviously, this holy pilgrimage requires proper guidance, companionship, mutual support, familiar food and clean and comfortable accommodation. Alhamdulillah, we experienced all of this with Tour Arabia. The patience and dedication of the Tour Arabia leaders and team members was truly remarkable. Their constant presence and able guidance throughout our journey were instrumental in helping us completed our Hajj smoothly and in the right manner.

The hajj pilgrimage I undertook along with my wife and my two sisters through Tour Arabia was quite fruitful. All the four of us were senior citizens. We received all the support and assistance ensuring our safety and comfort. The escorting team was very helpful and caring. The entire experience was quite pleasant and blissful. The quality of food and accommodation was really great. Tour Arabia was truly excellent in their service.

I am very happy that I chose Tour Arabia, as the organisers of my trip. Tour Arabia had left no stone unturned in making this incredibly arduous journey as easy and comfortable as can be perceived. Being senior citizens, we received all the care, attention and support from the organisers and we were treated very well. On the whole, it was a great experience accomplishing our Hajj in a meaningful and blissful manner. Inspiring spiritual lessons imparted frequently, along with the best of food and all the facilities for a comfortable stay made our entire journey unforgettable

- Parvin Fiaz, Educator, Mangalore

Alhumdulillah, I was able to complete my Hajj this year, along with my mother, under Tour Arabia. The 'Hajj School' program offered by Tour Arabia made this journey all the more meaningful. Through the classes conducted as part of 'Hajj School' we could obtain plenty of relevant information. These classes helped us perform each ritual of our Hajj with full understanding of the spirit and purpose behind it. The orientation classes specifically regarding Hajj provided us detailed guidance on every aspect of our pilgrimage. The entire journey was meticulously planned. Needless to mention the delicious food, especially the Biryani cooked from the Qurbani meat!

- Alma Banu, Lawyer, Dubai

Grateful for this journey of a lifetime, I would like to thank Tour Arabia for making it truly memorable. The highlight of this group is their extraordinary ancillary team. Their hospitality was outstanding, and the staffs were incredibly cooperative, providing excellent service. Anytime we called them, even in the middle of the night, they were readily available - always with a smiling face. This is an honest review, and I wholeheartedly recommend every pilgrim to choose Tour Arabia and carry home a series of great gratifying memories of your journey.

- Misriya Thota, Dubai

Last year my mother and I had the opportunity to perform Hajj with Tour Arabia. My mother was facing several health issues. However, by the Grace of Allah, we were able to complete the pilgrimage without any difficulty - thanks to the incredible support of Tour Arabia, our tour organizers. We were comfortable and well taken care of throughout the journey. I still miss the food! I highly recommend this group to my family and friends, particularly for women.

Their exceptional care and excellent management skills made the experience beyond amazing. The meticulous planning and support provided by the Tour Arabia team were incredible. بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

'Hajj' is a cherished dream for millions of Believers world over. However, very few among them are blessed with the fortune of actually embarking on this holy journey. In Hadith, these pilgrims are admired as 'Guests of Allah'. Can there be a greater honour?

'Tour Arabia' is known for its highly efficient management of Hajj tours. It has been assisting hundreds of 'Guests of Allah' every year to make their Hajj pleasant and fruitful in every possible manner. Some of the features and facilities offered by 'Tour Arabia' are truly rare and exceptional. All the guests who had the experience of performing Hajj under 'Tour Arabia' have invariably admired the excellent care, guidance, facilities and services offered to them. 'Tour Arabia' constantly keeps upgrading the services and facilities it offers to its guests. We are always committed to provide a much better package every year, compared to the previous years.

In Mina for instance, 'Tour Arabia' lodges its Hajjis in the most coveted 'A' Category Tents, located very close to Jamarath. An opportunity to stay so close to Jamarat is really a great feat for any pilgrim.

Both in Makkah and Madina, 'Tour Arabia' accommodate its guests in 5-Star Hotels in the immediate vicinity of the Holy Haram. Well before the Hajj, 'Tour Arabia' runs a very thoughtfully evolved educational and training course in the form of 'Hajj School' for its guests. Classes led by experienced scholars are conducted at a 4-Star Hotel in Shisha. The history, purpose and relevance of each of the rites and rituals related to Hajj are explained in detail in the 'Hajj School'. All acts related to Hajj are performed collectively under the guidance of expert scholars. Specially arranged luxury buses are provided to the guests for their local transportation. The super-fast 'Haramain High Speed Railway' facilities are used for the comfortable travel of the guests, between Makkah and Madina.

Anyone who has had the experience of performing Hajj under 'Tour Arabia' in the past will tell you how great their voyage was, filled with spirituality, knowledge and inspiration. We welcome you along with your family and friends to join the friendly convoy of 'Tour Arabia' for the upcoming season of Hajj. In sha Allah. Ahlan wa Sahlan.

TRANSPORTATION

- Always go for the best - only the best and never settle for less. That has always been the policy of 'Tour Arabia' and it has never compromised on it. You will experience the benefits of this policy during the very first phase of your journey when you board your flight to Jeddah.
- You will be amazed to see our choice of Aircraft to carry you to Jeddah. We select Emirates, known for its excellence and always stand ahead of all other players in the sector. Although its expensive, it is always our first choice, unless Emirates becomes totally unavailable.
- For domestic journeys, flights are selected according to their availability, matching the timings of our International Flights.
- We do not rely upon Government buses for transportation during the 5 hectic days of Hajj. Special VIP buses are reserved to meet all the transport related requirements of our guests during those days.

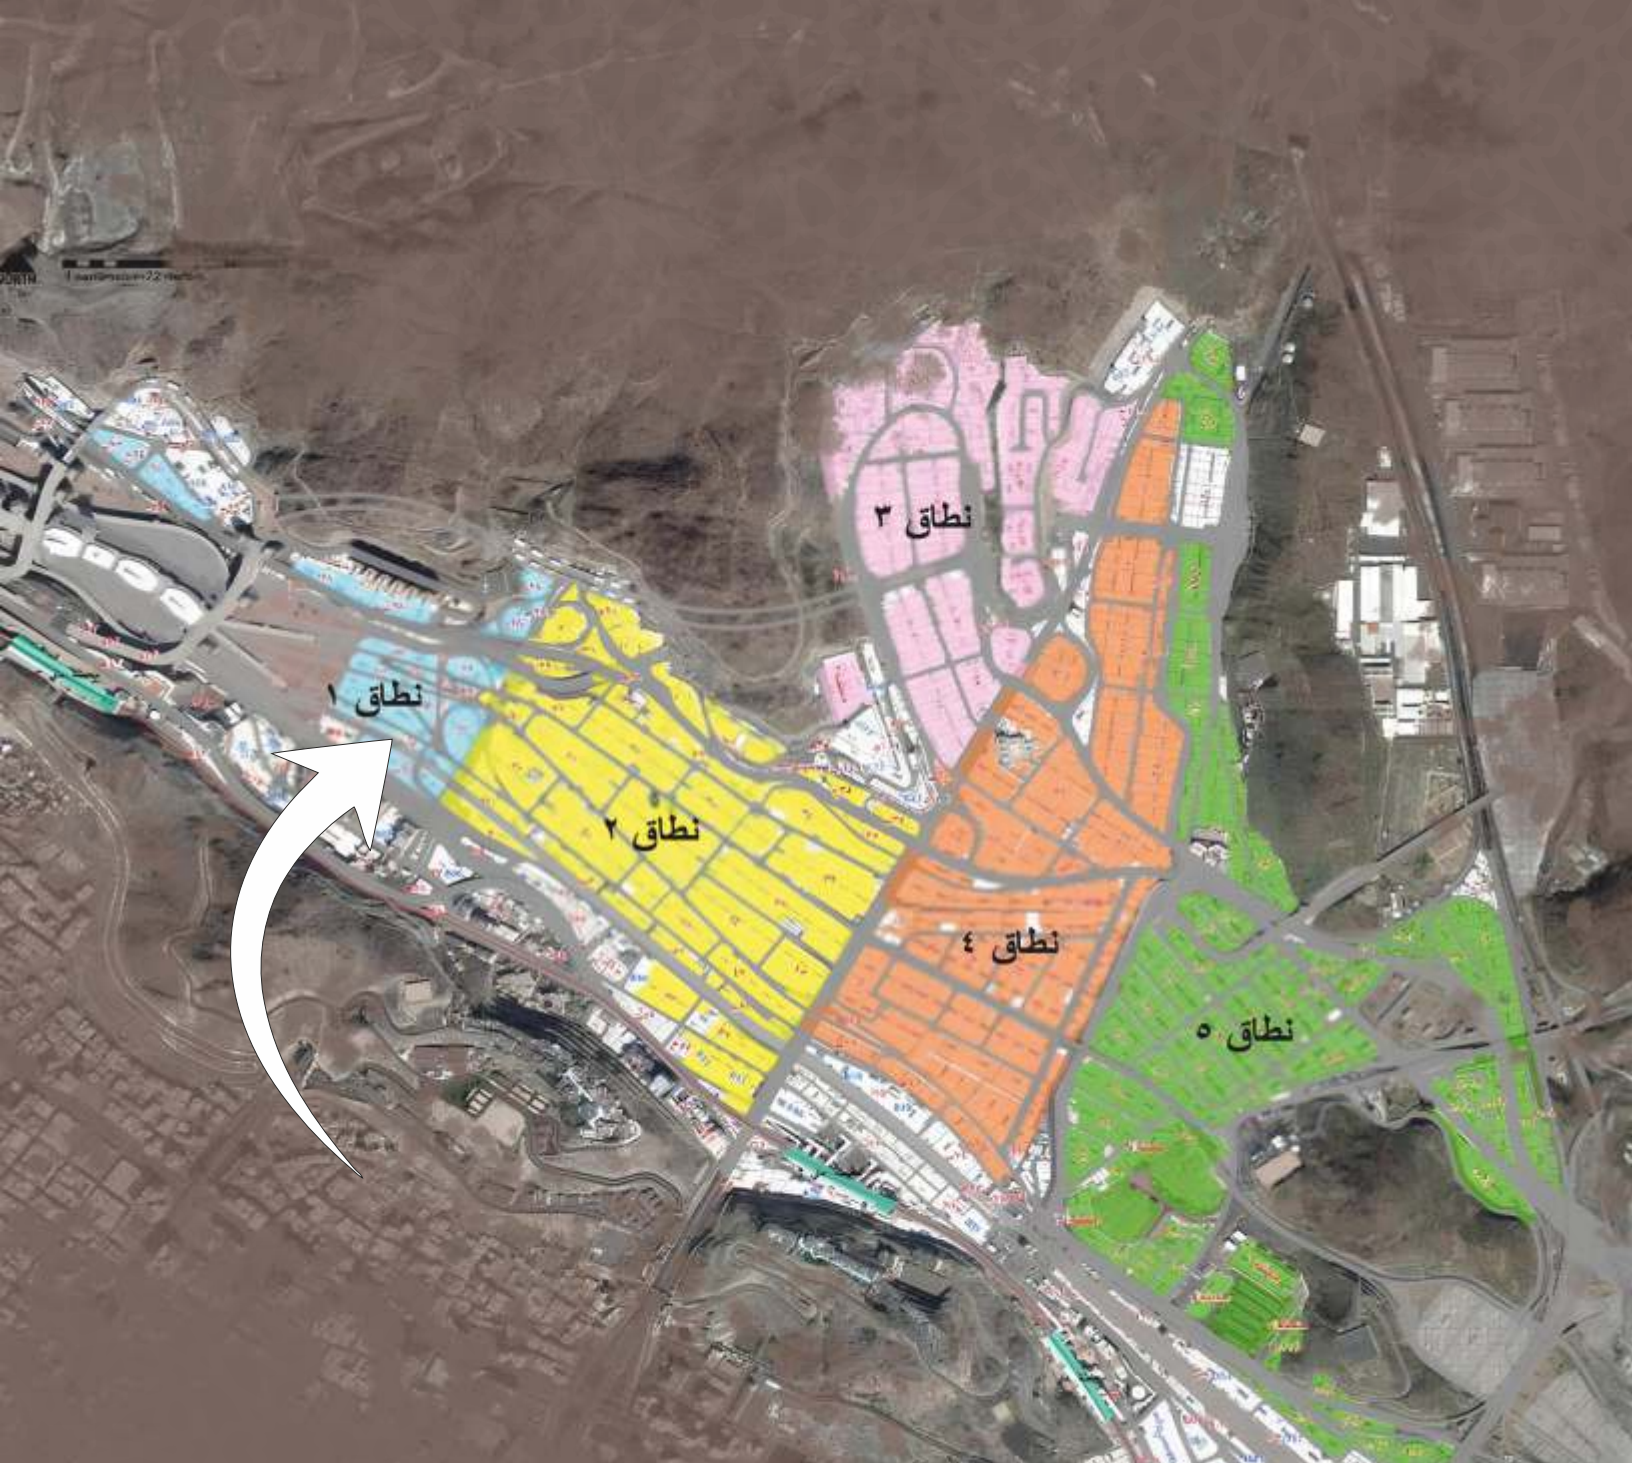

- Due to heavy traffics during the Hajj days, it takes about 7 to 8 hours to reach Makkah to Madina by bus. Therefore, we opt for 'Haramain High Speed Trains'. This helps our guests reach their destinations in mere 135 minutes, i.e. 2 hours + 15 minutes. Hajjis very much enjoy and heartily appreciate this amusing experience of super-fast train journey.
- During the days of Hajj, journey by Bus is always subject to Traffic conditions. Sometimes a destination that is hardly 15 minutes away may take about 5 hours due to huge Traffic jams during the Hajj days. Under such circumstances Hajjis are requested to show high level of patience.

MINA AND MUZDALIFA

Staying in Mina for 5 days from 8th to 13th of Dhul Hijjah is an important part of Hajj. Many crucial activities are conducted during this period. Activities such as visit to Muzdalifa and Arafat on 9th, visiting the holy Haram for Tawaaf and Sa'i on 10th and daily visits to Jamarat by walk from 10th to 13th Dhul Hijjah.

Fees for the Tents in Mina are charged according to the kind of facilities you ask for, and the distance of the Tent from Jamarat. 'Tour Arabia' has always selected the tents that are closest to Jamarat and the Tents that offer best of facilities to its guests.

Facilities available in Mina come under 4 categories: A, B, C and D. The best of premium facilities are offered under 'Category A' and essential facilities are offered under 'Category D'. Obviously the fees charged under 'Category A' is the highest and the fees for 'Category D' is the lowest. Fees under each category is in accordance with the kind of facilities offered under the respective category. **'Tour Arabia' has been offering facilities of 'Category A' to all its guests.**

In Jamarat the Tents are placed under 5 different Zones based on their distance from Jamarat. Tents nearest to Jamarat come under 'Zone 1' and the Tents that are farthest from Jamarat come under Zone 5. **'Tour Arabia' has always booked Tents in Zone 1 for its guests.**

NOTE: Hajj 2024 was an entirely different experience for almost all the Hajjis from India. Everything was in proper order in Mina till 2023. In 2024 however, the Govt of Saudi Arabia introduced few important changes in the rules regarding booking the tents in Mina. According to the new regulations, the governments of respective countries are required to book the tents in Mina, and then allocate them to the tour operators of their country.

These changes along with the delayed approach by the government in applying for Mina zone and the consequent failure in coordination, landed the private tour operators in deep trouble. They faced a series of hardships and ultimately the pilgrims under their care had to suffer.

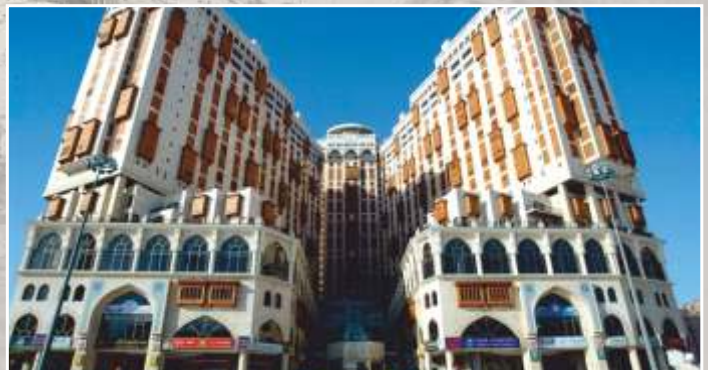

We hope the situation will improve in 2025 and we will be able to provide much enhanced facilities this time In Sha Allah. Efforts are already on in this regard. Let us hope and pray for the best.

Hajj is one of the largest annual gatherings in the world. About 2 million pilgrims from over 180 countries of the world participate in it. Obviously, organising such a mega event is an arduous and rigorous exercise. It requires a high level of patience, discipline and endurance from every participant at every step. Our principal task is to make it as comfortable and fruitful for you as possible. Nevertheless, one should stay mentally strong and prepared to face all kinds of hardships and unforeseen situations. 'Tour Arabia' will endeavour to provide you with the best possible services and facilities to make your Hajj one of the most pleasant and memorable experiences in your life.

ACCOMMODATION

- Both in Makkah and Madina we provide only 5 Star Hotels, located very close to the Holy Haram, for the easy access and comfort of our Hajjis. Makkah Hotel (formerly, Hilton) in Makkah and Oberoi in Madina to be precise.
- For lodging before Hajj we offer two options:
Option 01: Stay in Makkah Hotel which is close to the Haram but quite far from Mina and is very expensive.
Option 02: Stay at the Hotel close to Jamarath and Mina Tents - this is strongly recommended for the comfort and economical benefit of Hajjis.
- Usually Tour organisers provide Apartments or Buildings at Aziziya, Rusaifa, Nuzha or such places that are quite far from both Haram and Mina. Aziziya is relatively a better place to stay. Until last year, our Hajjis were lodged in a 3 Star Hotel at Aziziya.
- Shisha or Sidqi are considered to be the best places for stay, as they are at a walkable distance from Jamarath and Mina. However, they are quite expensive. This year, in order to ensure the best comfort for our Hajjis, we will arrange stay at 'Shisha' in a 4 Star Hotel before and during Hajj.

Makkah Hotel

MAKKAH HOTEL (5 STAR)

No hotel is as close and accessible to Haram as Makkah Hotel.

- After the Hajj, all our Hajjis will stay at Makkah Hotel and Tower in Makkah and at Oberoi in Madina.
- Our guests will be staying at a 4 Star Hotel in Shisha, before and during Hajj. This Hotel is at a walkable distance from Jamarath and Mina.
- For this period, our guests may opt for Makkah Hotel which is close to Haram but away from Mina (quite expensive).

MADINA OBEROI (5 STAR)

No hotel can match Oberoi in terms of excellence, quality & service. Madina Oberoi is hardly 10 steps away from the Holy Haram.

M HOTEL AL DANA MAKKAH BY MILLENNIUM (4 STAR)

This hotel is at a walkable distance to Jamarath and Mina.

HAJJ SCHOOL

- Hajj is a holy pilgrimage. It is not a mere annual ritual. It is in fact a divinely designed sacred spiritual course with great transformative potentials.
- 'Hajj School' is a unique course evolved by 'Tour Arabia' exclusively for its Hajj and Umrah guests. This course has been widely appreciated for the enormous knowledge, guidance and inspiration it provides in a very short time.
- Most of the guests of 'Tour Arabia' have, in their feedback, identified 'Hajj School' as one of the best experiences in their entire journey.
- Under 'Hajj School', classes are conducted before and after the Hajj, to explain the purpose, motivation, origin, history, method, significance and benefits of each ritual.
- In 'Hajj School' all the classes are interactive in nature and supported by the latest technology and equipment. Everyday, participants get full opportunity to ask question and seek clarifications.
- Information and guidance along with a lot of inspiration is offered on 9 different topics, covering all the different dimensions of Hajj. Total duration of the classes is 15 hours and it is entirely in Powerpoint (PPT) format. These classes are conducted over 3 days before the Hajj and on 2 days after Hajj.
- 'Hajj School' helps the participants refresh their souls, rejuvenate their faith and strengthens their devotion. It enables them to fully understand and appreciate the true spirit behind every ritual they perform and every word they utter during various acts related to Hajj.
- A pre-departure orientation session is conducted in India and in Dubai. Crucial tips regarding all the essential preparations, various eventualities, code of conduct and other details are shared with the guests in these sessions.

FEEDBACK

2015

Myself & my wife are very much thankful to Tour Arabia and its organizers for their excellent services and continued support throughout the journey. Their attempt to put everyone at ease during the difficult times of Hajj and organizing everything efficiently was truly commendable.

- **Mohammad Ikbal, Udupi (Abu Dhabi)**

2016

I am a conventional scholar of Islam. Yet I found my Hajj experience quite enlightening. A lot of fresh information was unfolded before me.
