بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

For every believer, the sacred journey of Hajj is the ultimate aspiration to answer the divine call of Allah. Among millions, who long for this blessed pilgrimage, only a fortunate few are chosen to become the honoured 'Guests of Allah', a title of immense dignity and privilege mentioned in the blessed Ahadith. Indeed, there can be no greater honour.

For years, Tour Arabia has been privileged to serve these honoured guests with unwavering dedication, sincerity, and excellence. Every Hajj season inspires us to raise our standards further, ensuring that our pilgrims experience not just a journey, but a spiritually enriching, comfortable, and memorable pilgrimage. The trust, appreciation, and heartfelt testimonials of our guests continue to be our greatest achievement and motivation.

Tour Arabia has always believed that every pilgrim deserves the finest care while remaining completely focused on worship. Every aspect of our Hajj programme is therefore thoughtfully planned to combine comfort, convenience, learning, and spiritual fulfilment. As we prepare for Hajj 2027, we renew our promise to serve the honoured Guests of Allah with even greater dedication, enhanced facilities, and improved services. We pray to Allah that He grants us the opportunity to make your sacred journey peaceful, meaningful, and accepted.

TRANSPORTATION

At Tour Arabia, we believe that every step of your sacred journey deserves the highest standards of comfort, reliability, and care. From the moment you depart from home until your safe return, every aspect of your travel is planned with meticulous attention to ensure a smooth, dignified, and memorable Hajj experience.

International Travel

For our **Executive, Elite, Deluxe** and **Standard Packages**, we give priority to Emirates Airlines, one of the world's most respected airlines, renowned for its exceptional service, comfort, and punctuality. Although this choice involves a higher investment, we believe our pilgrims deserve nothing less than the finest travel experience. Only in circumstances where Emirates is completely unavailable do we arrange travel with an alternative airline of comparable standards.

For our **Economy** and **Budget Packages**, we arrange travel with Air India, IndiGo, or other reputed airlines, carefully selected according to operational schedules and availability while ensuring a comfortable and reliable journey.

Domestic Flights

Domestic flights within India are chosen based on availability and are carefully coordinated with our international departures and arrivals. This thoughtful planning minimises waiting time and ensures a seamless transition throughout your journey.

Transportation During Hajj

The days of Hajj are among the most significant and demanding moments of the pilgrimage. Reliable transportation plays a vital role in ensuring the comfort and well-being of every pilgrim. Rather than depending solely on the standard government transportation system, we arrange dedicated VIP buses to serve our groups throughout the Hajj period. This enables us to provide greater convenience, better coordination, and a more comfortable travel experience between the holy sites.

Haramain High-Speed Train

Travel between Makkah and Madinah during the Hajj season is often affected by heavy traffic, with road journeys sometimes taking seven to eight hours or even longer.

To save valuable time and provide a more comfortable experience, our Executive, Elite, Deluxe and Standard pilgrims travel aboard the Haramain High-Speed Train, one of the fastest and most modern rail services in the world. Covering the journey in just 2 hours and 15 minutes, it offers a smooth, comfortable, and enjoyable travel experience that has become one of the most appreciated highlights of our premium packages.

A Humble Note on Hajj Traffic

Every year, millions of believers gather in the holy cities to answer the call of Allah. During this blessed season, heavy traffic and unexpected delays are simply a part of the Hajj experience. Distances that would normally take only a few minutes may occasionally require several hours to cover. Such circumstances are beyond the control of any Hajj operator or transport provider. We humbly request our respected pilgrims to meet these moments with patience, understanding, and cooperation. Every delay endured with sincerity becomes part of the spiritual journey and an opportunity to earn the pleasure of Allah. Be assured that our dedicated team will remain by your side throughout your pilgrimage, doing everything within our ability to ensure your comfort, guide you at every stage, and provide prompt assistance whenever needed.

MINA EXPERIENCE

At Tour Arabia, we have proudly served pilgrims for years with Hajj packages built on trust, excellence, and genuine care. Every aspect of our service is thoughtfully designed to help you perform your sacred pilgrimage with greater comfort, peace of mind, and spiritual focus.

EXPERIENCE THE FINEST IN MINA

Mina is the heart of the Hajj journey, where pilgrims spend five days (8th–13th Dhul Hijjah) performing some of the most significant rites of Hajj. During this period, pilgrims undertake:

- The journey to Arafat and Muzdalifah on the 9th of Dhul Hijjah.
- Tawaf and Sa'i at Masjid Al Haram on the 10th of Dhul Hijjah.
- The ritual of Rami (stoning the Jamarat) each day from the 10th to the 13th of Dhul Hijjah.

As these rituals involve extensive walking and movement, the location and quality of your accommodation in Mina play a vital role in ensuring a smooth and comfortable pilgrimage.

"A" CATEGORY TENT IN THE CLOSEST ZONE

Tour Arabia has always been committed to offering only the highest standard of accommodation in Mina.

We provide Premium Category "A" tents situated in the closest zone to the Jamarat. This prime location significantly reduces walking distances, making it easier for pilgrims, to perform the daily rituals with greater convenience.

Our Category A tents feature modern amenities and enhanced facilities, providing a comfortable environment where pilgrims can rest, refresh, and prepare for the next stages of Hajj.

Understanding Mina tent categories: Accommodation in Mina is classified by the authorities into four categories-A, B, C, and D.

- Category A offers the highest level of comfort, premium facilities, and superior services.
- Categories B and C provide progressively fewer amenities.
- Category D offers only the essential facilities.
- Similarly, Mina is divided into five zones based on their proximity to the Jamarat.
- Zone One is the nearest and most sought-after location.
- Zone Five is the farthest.

While the cost of accommodation varies according to the category and zone selected, Tour Arabia has consistently chosen Premium Category “A” tents in closest Zone , ensuring our pilgrims receive the finest location and facilities available to all category pilgrims (except budget class).

KIDANA TOWER

Taking comfort a step further, Tour Arabia is delighted to offer the exclusive Kidana Tower Experience for pilgrims seeking an even higher level of convenience and comfort.

Designed to complement the spiritual essence of Hajj, Kidana Tower provides:

- Enhanced comfort and premium living spaces.
- Superior facilities and modern amenities.
- Exclusive prayer area, restaurants and lounges.
- Even closer accessibility to key ritual sites.
- A refined Mina experience with greater ease and convenience.

While our Category A tents already represent one of the best accommodation options in Mina, Kidana Tower is the ultimate upgrade for those who desire exceptional comfort without compromising the sacred spirit of the pilgrimage.

A JOURNEY OF FAITH, PATIENCE AND DEVOTION

Hajj is one of the world's largest annual gatherings, bringing together over two million pilgrims from more than 180 countries. Organising such an extraordinary event requires meticulous planning, cooperation, patience, discipline, and resilience from every participant.

Despite the extensive arrangements made, pilgrims should remain mentally prepared for occasional challenges and unforeseen circumstances that naturally accompany an event of this scale.

At Tour Arabia, our mission is to make your Hajj journey as comfortable, seamless, and spiritually fulfilling as possible. We are committed to providing outstanding service, premium facilities, and unwavering support throughout your pilgrimage.
