Obviously all those who have performed their Hajj under Tour Arabia have heartily approved and appreciated the care, hospitality and the facilities offered by us.

The guests who have performed their Hajj with Tour Arabia vouch for the best of services and facilities offered to them. In Mina for instance, our executive class Hajjis were lodged in the prestigious and the most coveted Tent No. 1 of 'A' category, very close to Jamarath, which is a rare feat and deluxe class Hajjis were accommodated in 'B' category tent in 2023.

Tour Arabia offers certain unique facilities to its guests. Both in Makkah and Madinah our guests were accommodated in 5-Star hotels in the close vicinity of the Holy Haram. Makka Hotel (Old name: Hilton) in Makkah and Oberoi in Madina, to be precise. Before the days of Hajj, our Hajjis were provided 'Hajj School' - a well evolved, comprehensive educational and training course at a 3-Star hotel in Aziziya. During these days our guests were provided luxurious buses for local transportation. They were provided with Haramain high speed train for their transportation from Makkah to Madina for their comfortable journey. All the rites and rituals related to Hajj were offered collectively in the best of spirit, under expert guidance. That is why all our guests felt their experience of Hajj was a great voyage, filled with spirituality, knowledge and inspiration.

We are committed to offer a much better experience to our guests during the next Hajj tour. You are most welcome to join the friendly convoy of Tour Arabia.
